### **Bookings & Cancellation Policy**

If you decide to make a booking with us, you will need to confirm the dates and supply credit card details to secure the booking. The card details are only for confirming and securing reservations; payment can be made by cash or credit card (Visa or Mastercard), on arrival or by arrangement.

We would also like you to give us your estimated time of arrival so we can make sure we are home to greet you. We would appreciate a phone call if that estimation changes significantly, especially at night.

Our cancellation policy is that, once your reservation is confirmed, we would appreciate your earliest possible advice if your travel plans change for any reason. Cancellations made within fourteen days of arrival will incur a 20% charge of the fee, and within 1 day of expected arrival the charge will be 100%. Some consideration will be given to the reasons for cancelling. If the room is re-booked we will not charge you.
